“Where the elite compete”

2024 Sponsorship Opportunities

Dear Business Owner:

The Swansea Independent Baseball League (SIBL) will celebrate its 45th consecutive season of competition in 2024 with a projected player enrollment of approximately 300 boys and girls of our surrounding area. Swansea Independent Baseball League, (SIBL), founded in 1974, is a 501-c3 nonprofit organization. SIBL, located in Swansea, Massachusetts at the old military NIKE site, provides children, ages 3-years-old to 12-years-old, a place to enjoy learning the game of baseball while making new friends and life-long memories. Our organization offers more than 250 children each season the incredible opportunity to learn how to play competitive baseball. We are asking for a monetary donation that can help us to expand what we have to offer the families that take part in our organization.

As an independent baseball league, we can accept children residing in many surrounding cities and towns of Swansea, MA which allows us to give a greater number of children a safe place to play baseball, make friends, and make memories that will last a lifetime. The money you donate will be used in its entirety to help our organization grow and the families that play here who need assistance. We have many new programs in mind to help inner city children get equipment and be able to play without worry of finances or transportation. As well as encompassing a health promoting environment by implementing healthier snack shack, exercise programs, and more.

Our mission is the training and preparation of our players in the mechanics, skills, knowledge, and sportsmanship of the game of baseball. The League is a Non-profit Organization, granted Internal Revenue Service 501(c) (3) tax exempt status. The upcoming season, the League will offer several options for sponsorship opportunities that you may be interested in.

All SIBL sponsors receive a full-color sponsorship plaque which can be proudly displayed in your establishment and lets your customers/clients know that you give back to the community. The League will also place your company's information and web address (if applicable) on our website (www.SIBL.net), as well as all of our Social Media platforms during the entire calendar year 2024. When making the decision to become a SIBL sponsor, keep in mind that SIBL has many programs which include our Recreation season, All Star season and Fall Ball season. Our complex is also used by various AAU organizations throughout the year. This means more advertisement for your business. SIBL Sponsorship Opportunities for 2024 are as follows:
